

## **REMARKS**

This communication responds to the Office action mailed May 7, 2008, setting forth a requirement for election of one of the following disclosed species for prosecution:

1. Embodiment (on page 7-11, paragraph 58-145) of a mobile communication network in outline.
2. Embodiment (on page 7-15, paragraph 146-216) of a mobile terminal performing arithmetic processing for determining its location.
3. Embodiment (on page 15-17, paragraph 217-258) to determine a mobile terminal using intersection points between circles centering on the base stations.
4. Embodiment (on page 17-21, paragraph 259-341) to determine a mobile terminal using signals from base stations and GPS satellites.
5. Embodiment (on page 21-25, paragraph 342-420) of another method to determine a mobile terminal.
6. Embodiment (on page 25-26, paragraph 421-449) of another method to determine a mobile terminal.
7. Embodiment (on page 26-27, paragraph 450-477) of another method to determine a mobile terminal.
8. Embodiment (on page 27-30, paragraph 478-522) of another method to determine a mobile terminal.
9. Embodiment (on page 30-31, paragraph 523-556) of another method to determine a mobile terminal.
10. Embodiment (on page 31-32, paragraph 557-572) of another method to determine a mobile terminal.
11. Embodiment (on page 32-33, paragraph 573-599) of another method to determine a mobile terminal.
12. Embodiment (on page 33-34, paragraph 600-615) of another method to determine a mobile terminal.

13. Embodiment (on page 34-35, paragraph 616-641) of a configuration of a mobile communication network.

Applicant hereby elects, without traverse, Embodiment 1, on page 28, lines 11 through page 44, line 7 of the originally-filed specification (corresponding to pages 7-11, paragraphs 58-145 of the published application, as cited by the Examiner) of a mobile communication network in outline, corresponding to claims 1-6 and 73-78. Claims 7-72 and 79-144 are hereby withdrawn from consideration from the present application.

Applicant reserves the right to prosecute the non-elected Inventions and other aspects of the application in one or more divisional patent applications.

In view of the foregoing, examination of the current application on the merits is respectfully requested. The undersigned is available for telephone consultation during normal business hours.

Respectfully submitted,
